**OPERATION RICE BOWL**

**Lenten Folder Update**

Are you contributing 25 cents per day to Operation Rice Bowl during lent by using the Lenten folder? Do you wonder where the money goes? Some of the programs funded by Operation Rice Bowl are agriculture and environment programs. Catholic Relief Services works worldwide to implement these programs, serving the poorest farm families and rural communities in Asia, Africa, Latin America & the Caribbean. Their immediate goal is to improve family well-being through agro-economic development and environmental stewardship. Their long-term goal is to strengthen the capacity of local agencies and farm communities to take control of their own development.

**WORLD DAY OF PRAYER**

**Friday, March 1**  
**Webster Presbyterian Church**  
**550 Webster Road**

**At 12:00 Noon - with a light lunch to follow**

World day of Prayer, (WDP) is an international event that unites Protestant, Roman Catholic, Orthodox and other Christian women and men in 179 countries. Spoken in hundreds of languages and dialects, we strive to bring "informed prayer and prayerful action" (WDP motto) to life in our communities.

This year, Romanian women invite us to become better informed about their country and their way of worship. They want to share with us their current political, economic, social and moral ethnic groups.

We invite you, your families, your community of faith to join us in prayer and support of this women's ecumenical movement working to bring about peace and justice.
